MIA PORTABLE

APPLICATIONS

- DJ Use
- Restaurants
- Portable PA

DESCRIPTION

The MIA Portable is a unique high-powered column speaker with sub bass that connects easily and stores in one prefabricated container, allowing for quick, plug-and-play setup. The system offers built-in DSP and comes ready for easy use. It is recommended for DJ use, restaurants, portable PA and residential applications. The system provides ultra-clear high and midrange frequencies with extremely tight, punchy low frequencies.

KEY FEATURES

- Column array with powered dual 12″ subwoofer
- Built-in DSP and 3-channel amplifier module
- Plug-and-play setup with quick connection
- Column sections store in the subwoofer's transport lid
- Integrated casters for easy transport
- Birch plywood enclosures

SPECIFICATIONS

Performance (System)

Frequency Range	45 Hz – 18 kHz
Maximum SPL at 1m	140 dB
Rated Power	2500W
Nominal Impedance	Column 8 ohms / Sub 4 ohms
Amplification	Built-in (H-12W amp module)
Processing	Built-in DSP

Amplifier Module (H-12W)

Channel A	600W @ 8Ω / 1000W @ 4Ω
Channel B	600W @ 8Ω / 1000W @ 4Ω
Channel C	1100W @ 8Ω / 1900W @ 4Ω

Connectors

Column Connectors	2 x Neutrik NL4MP (LF 1+/1-, HF 2+/2-)

Components

H-4H Column (Top)	4 × 4″ LF + 2 × 1.75″ HF
H-4W Column (Extension)	4 × 4″ LF
H-12W Subwoofer	2 × 12″ LF

E11EVEN Sound Aesthetically is always being improved, along with fly points and mounting hardware. Grills and other cosmetic features subject to change, rendering or photo is for reference purposes only.

E11EVEN SOUND

H-4H Column (Top)

Frequency Range (±3dB)	120 Hz – 18 kHz
Maximum SPL at 1m	127 dB
Rated Power	240W
Nominal Impedance	8 ohms

H-4W Column (Extension)

Frequency Range (±3dB)	120 Hz – 6 kHz
Maximum SPL at 1m	127 dB
Rated Power	200W
Nominal Impedance	8 ohms

H-12W Subwoofer

Frequency Range (±3dB)	45 Hz – 200 Hz
Maximum SPL at 1m	137 dB
Rated Power	900W
Nominal Impedance	4 ohms

Enclosure

Enclosure Construction	Birch Plywood
Color	Black
Finish	Black Paint

Dimensions & Weight

H-4H Dimensions	780 × 140 × 180 mm (30.71″ x 5.51″ x 7.09″)
H-4H Net Weight	22 lbs. (10 kg)
H-4W Dimensions	520 × 140 × 180 mm (20.47″ x 5.51″ x 7.09″)
H-4W Net Weight	14.3 lbs. (6.5 kg)
H-12W Dimensions	855 × 415 × 595 mm (33.66″ x 16.34″ x 23.43″)
H-12W Net Weight	110 lbs. (50 kg)
System Dimensions	920 × 440 × 880 mm (36.22″ x 17.32″ x 34.65″)
System Net Weight	181 lbs. (82 kg)
