### DESCRIPTION

Experience exceptional performance and seamless design with the E11EVEN Sound GIA-C8 in-ceiling speaker. Featuring a bezel-less magnetic grille and an optional square adapter, it blends effortlessly into any environment. The high-excursion 8" woofer and pivoting tweeter deliver precise, full-range sound for immersive audio coverage. A sealed metal enclosure with cable clamping, a removable Euroblock connector, and a seismic attachment ensures secure installation and long-term reliability. UL 1480 and UL 2043 certifications provide added assurance of safety and compliance in commercial settings.

### KEY FEATURES

- Bezel-less design for clean and minimalistic aesthetic
- Full-fidelity transformer for uncompromised tonality
- Optional black grilles in round or square
- Magnetic grille retention for fast installation and removal
- One-step simplified painting process
- Front-mounted finger-adjustable selector tap
- Exceptional off-axis response
